## Administrative & Subcommittee Reports

**Chair** – No report given.

**Vice Chair** – I visited the WOLF group during a Sunday meeting. I arrived a couple of minutes early and did not observe any unapproved by NA literature, nor was any read or discussed during the regular meeting. After the meeting I was shown the NA Way of Life literature that was locked in a separate closet from the NA approved literature. I will also include a copy of the format used the day that I attended with my report.

# *W.O.L.F. Group Meeting Format*

(Updated Feb-2008)

1. Welcome to the regular Sunday/Wednesday meeting of the Narcotics Anonymous *Way of Life Foundation Group - Knoxville*. My name is \_\_\_\_\_, and I am an addict.

2. Are there any outside announcements?

The W.O.L.F. Group has a few:

Immediately following the regular meeting, we will have a book writing workshop for The N.A. Way of Life book, or other literature in progress utilizing the open participatory literature writing process. In keeping with our Traditions, this Group has chosen to fulfill our primary purpose by helping to develop new recovery literature. We read from the The NA Way of Life, Traditions Wars: A Pathway to Peace, The Spirit of NA, and other new works in progress as a way of improving them. We open this process to all who see the need and would help.

This literature writing project is open to all interested N.A. members who would like to carry the message - one addict helping another - through grass-roots literature by addicts for addicts.

We are in no way affiliated with Parkridge Community Center, we only rent this facility for a fee. The Office is off limits and we only have one bathroom, so please knock. Please take care of this facility as if it was your home - because it is our home for recovery. If you have a verification paper to be signed there is a stamp this group uses to preserve personal anonymity.

3. Fifth Tradition Coordinator announcements?

4. Please help me open the meeting with a moment of silence to reflect on why we are here followed by the Serenity Prayer or prayer of your choice in silence.

5. Please respect our readings by not adding commentary - these are the principles that have made our recovery possible.

I have asked \_\_\_\_\_ to read "Who is an Addict?"

I have asked \_\_\_\_\_ to read "What is the NA Program?"

I have asked \_\_\_\_\_ to read "Why are We Here?"

I have asked \_\_\_\_\_ to read "How it Works" (front page only)

I have asked \_\_\_\_\_ to read "The Twelve Traditions of NA" (front page only)

6. Are there any newcomers? If so - welcome. We will hold a newcomers & first step meeting.

7. Discussion

(About halfway though pass the basket and state that the proceeds go to pay rent, prudent reserve and fund the service structure.)

8. Recognize Clean Time via the key tag system.

9. If you have any N.A. Fellowship announcements, please place them in flyer form on the lit table.

10. Please help me close this meeting with the Third Step Prayer or prayer of your choice in silence.

**Secretary** – No report given.

**Alt. Secretary-** No report given.

**Treasurer** – Hello family,

Our balance as of today is 2,024.96 leaving us 428.38 below our prudent reserve; so once again we will not be making a regional contribution. I feel I've expressed the reasons for this enough over the past few months. So I won't explain this again.

There was some concern expressed last month about the area not receiving the treasurer's reports until a month after the fact. I would like to clarify that this is not the case. The treasurer's month and year report are in the minutes; which are sent out a week following the area meeting. I would be happy to print them out for the day of the ASC meeting if the area would like this.

In loving service ,

Ethan W

P.S Robert is way ahead and is doing great.

**H&I** –

Jeremy E. (vice-chair) chaired the meeting with prior absence notice from Adam L. (chair). We had another successful sub-com meeting although we had a small turnout. A motion was made to buy basic texts with extra money from our budget to start the process of placing basic texts in the jail's libraries. Emilee and Walker volunteered to head up this operation. Thanks for allowing me to serve in this capacity.

In loving service, Jeremy E.

PI March subcommittee report 3-23-08

There were 8 addicts present for our subcommittee meeting today.

Old biz included but was not limited to;

Phone line reports were given by two of the four voluntaries the other two were not present. For the month of March we had a total of 116 calls.

We talk about how we were going to move forward with out the presents of the old Chair of the Website. The committee contacted the old chair twice since the last area trying to make arrang to meet. But the Chair has not given us a time and date to review the process. The site is being maintained by the old chair we just have not been able to take responsibility of the site.

We have started the process to merge the website and PI guide lines.  
The Metro Pulse has been contacted with our website info and help line for weekly publication but  
Pulse has not published the information we are checking on this.

New Biz;

At our next meeting we will assign a 3 person panel with an alternate for PI presentations.  
An addict has been assign to address envelopes to local radio stations for the distribution of the  
have recorded.

Monthly cost;  
68.00 yellow pages  
10.00 rent

## **Recovery on the Ridge-**

Hello Family,

We held our most recent R.O.R. 14 sub committee meeting this past month. We will  
have the annual Riverboat cruise on March 29<sup>th</sup> and the annual Golf Tournament on March  
30<sup>th</sup>. Please remind others about these events so that everyone can come out and enjoy  
themselves. As you may know the R.O.R event is coming up on April 18<sup>th</sup>, 19<sup>th</sup> and 20<sup>th</sup>.  
You can still pre-register which will be \$25.00 and \$30.00 at the event. I have pre-  
registration flyers if anyone would like one. The event will be at Big Ridge State Park again  
this year so please come out and have fun in recovery. The R.O.R sub-committee would  
like to thank the Just for Today and Saturday Night Live home groups for their  
contributions! The Together We Can home group will be hosting speaker meeting and  
dance on April 5<sup>th</sup>. Saturday Night Live will not be meeting that night to help promote unity  
and to encourage everyone to go to that event. I also have the flyers for this event for  
every GSR!

In Loving Service,  
Christy L.

We have been getting better attendance. We have recently broken our attendance record a few times. On the first Friday of each month we have a speaker meeting. On Tuesdays, we are going to begin having a tradition study one week and a step study the next week. This will alternate back and forth each week. We are doing this on a trial run before we make a change the format on the meeting list. Out of necessity, we have been having 2 business meetings each month so that we do not have to rush through anything.

Q; Which book are you going to use for the tradition study?

We have implemented a rubber stamp outside of the meeting room and have had no complaints or complications. The stamp does not have NA or the group's name or home group member's signatures. The new step meeting is going slow and we hope to see more support as time goes by. I recently have attended drug court as an observer to kind of see exactly what goes on. At our meeting and others, we have seen people who work for drug court in attendance.

We would like to thank the area for the support we got for the St. Patrick's Day event. We were able to contribute \$350 to ROR. To help support the Spring Fling, we will not be having a meeting on April 5<sup>th</sup>.

Q: What about the addict that shows up for a meeting and it's not there and winds up dead? I have a really hard time with that.

A: We will have a member there at our meeting location to direct anyone who shows up to the Spring Fling.

Q: Do you think your home group could have some members stay there for an hour during the meeting time?

A: I will check with the home group but I would imagine we can do that.

I would like to share what has worked for Spiritual Principles. Our group has had a GSR and GSRA the whole time I've been a member there. Both always show up to area. Every single home group member is involved in some way in the NA service structure. I am not doing this to brag, it is just to show that a home group can make changes and

improvements in carrying the message. We restructured our meeting format to read more and meet less. We have taken on the responsibility ourselves of educating home group members about service work and getting involved.

## New Business

**MOTION #1:** To enable ROR to be self-supporting by using the proceeds from each year's event to fund the event for the following year. No longer would funds be donated to VRC.

**Motion maker:** Hugs Not Drugs

**Second:** Serenity in the Smokies

**Intent:** To hold ROR as an area event and not a VRC fundraiser. This will allow us to utilize ROR proceeds to help support our area and improve the financial condition of the GSMANA.

**Notes/Discussion:**

This is a rewritten version of area motion #1 from last month's minutes on page #18. At today's area service committee meeting, this motion received 6 yes votes, 5 no votes and 1 abstention vote which did not allow it to pass since it is policy changing and requires a 2/3 vote to pass. It was felt by many of the GSRs in attendance today that the previous motion was somewhat unclear and difficult to understand. In hopes of getting this

influential motion passed, it has been reworded and resubmitted in order for it to be voted on by the home groups next month.

The Volunteer Region has told this area numerous times that we should use the proceeds from ROR to help support our area if we need it. For the past several months this area has been operating under it's prudent reserve and is in jeopardy of having to downsize or possibly even eliminate some of the subcommittees which are vital to carrying the message to the still suffering addict.

This motion would allow us to use the proceeds from each year's ROR to fully fund the following year's ROR. We would not have to have the multitude of ROR fundraisers in order to fund the event and would hopefully allow us to put more money into the 7<sup>th</sup> Tradition basket.

This motion would also help this area follow the 11<sup>th</sup> concept, which is listed below, along with a link where more information regarding this concept and what it means to follow it can be found.

## Area Inventory Process

Area Inventory Ad-Hoc Report

March 2008

The question of the month was "How can the area better communicate with the groups?" There were several suggestions given during the discussion.

1. Area Trusted servants should visit different group business meetings to be informational resources
2. Have GSR Learning Days to teach the GSRs about the position responsibilities.
3. Create a summary or highlight sheet of the most important things that happened from the area
4. Have group booklet workshops
5. Streamline the minutes to make it easier for the GSRs to pass on
6. Add additional home group member emails to the distribution of the minutes
7. Startup an Area outreach subcommittee

**The question for next month's discussion will be:  
How can the area improve in managing finances?**

**Please discuss with your home group!!**
