Opened at 10:10

6 addicts present, 5 homegroups represented

Jim read the Traditions

Ed read the Concepts

Dixon read the purpose and function

Ninth Concept: All members of our service structure have the responsibility to carefully consider all viewpoints in their decision-making processes.

- Right to speak but not be a perpetual naysayer against the majority, just expressing thoughts with others; decisions made alone are unhealthy or misinformed; two pros and two cons are not a group conscience—look at all view points
- Nobody really cares about the minority vote at the ASC
- How is it practical to let everyone speak?...
- It is important to have each different view heard; the minority may save us from making bad decisions
- 4th concept—trust the chair and GSRs to do their jobs correctly
- Everyone can be heard if we are all aware of the time restraint
