

Get Involved!

“Many Narcotics Anonymous members have found Hospitals and Institutions service to be an important part of their personal recovery. Our members, who actively participate in H&I service, are very important in our fellowship. A commitment to H&I service is one of the many ways to become involved with the NA service structure and help us feel a part of our fellowship.”

What is H&I?

Services to Hospitals & Institutions are delivered through meetings and panel presentations to introduce those people attending to some of the basics of the Narcotics Anonymous program.

They carry the NA message of recovery to addicts who do not have full access to regular NA meetings.

Meetings or presentations are provided to hospitals, jails, addiction treatment facilities, detox centers, and other institutions.

Do You Want an H&I Meeting in your Homegroup’s Neighborhood, Town, or City?

What you need:

- **PEOPLE!!!** 3 or 4 people for each Institution you wish to target.
- Pick one person to be the **Panel Leader** for the future H&I meeting.
- **COME TO THE H&I SUBCOMMITTEE!!!** Starting a new H&I meeting requires about 6-9 months of action. This Panel Leader should commit to 6-9 months of consistent H&I subcommittee participation in order to get the meeting started.
- Once the H&I Committee decides to pursue the meeting the PI and H&I committees will then send a letter, make a phone call and set up a **PRESENTATION** for the institution.
- From there, if the institution wants an NA H&I Meeting, we will set it up and get it **GOING**.
- With 3 or 4 **COMMITTED** members you can have an H&I meeting in your area!!!
